1. Introduction

- The meeting was called to order at 7:00PM. The meeting was chaired by Carey Letts.

2. Agenda

- The agenda was circulated for the meeting. The agenda was then approved for the meeting.

3. Adoption of October 23rd, 2003 Meeting Minutes

- The minutes were circulated electronically in advance of the meeting to those members with e-mail and faxed to those without e-mail. Additional copies were made available at the meeting for review.
- The minutes were approved.

4. Correspondence

Phone Call from resident

- Paul-Emile received a phone call; the person stated that because the property for the facility was federal land, there would be a requirement for a federal EA
- Joe clarified that the property had never been federal land; originally it was owned by Noranda, it was then sold to the Port of Belledune and Renviro is leasing it to Bennett.

5. Old Business

CELC Flyer

- Flyer should be distributed to the Belledune community on Monday November 10th.

2nd CELC Flyer

- Discussed what information should be presented on the 2nd flyer, topic to be: predicted facility emissions along with comparisons to provincial/federal/international standards and other NB emissions.
- Aim for a flyer per month approximately

6. New Business

- None

7. Next Meeting

- Next meeting: November 20, 2003 at 7:15pm
- Presentation by DELG on EIA Process

8. Adjournment

Meeting was adjourned at approximately 8:10PM
