1. Introduction

- The meeting was called to order at 7:00PM. The meeting was chaired by Paul-Emile Roy.

2. Agenda

- The agenda was circulated for the meeting. The agenda was then approved for the meeting.

3. Adoption of October 9th, 2003 Meeting Minutes

- The minutes were circulated electronically in advance of the meeting to those members with e-mail and faxed to those without e-mail. Additional copies were made available at the meeting for review.
- The minutes were approved.

4. Correspondence

Bathurst Sustainable Development, August 26/03

- Bennett provided a response to the CELC regarding correspondence received from Bathurst Sustainable Development, dated August 26, 2003.
- CELC will include Bennett's response in a letter to BSD as well as the addendum to the Air Quality Report (Gaspé data versus Charlo data)
- Discussed that CELC has the option to seek a technical 'second opinion' on any responses from Bennett

Invitation to Northern NB Mayors

- A draft open invitation was circulated to the mayors/council of Northern NB to attend CELC Meetings. Suggested that Local Service District representatives also receive an open invitation.
- Moved to send out the letter; Sheila will provide LSD contact information.

5. Old Business

CELC Flyer

- Discussion about the flyer; the addition of a couple more points/clarifications it is ready for mail-out. After the appropriate formatting, translation will be done and then it can be sent.
- Second newsletter should focus on the EIA Process in New Brunswick; next meeting can focus on what questions are common in the community that can be addressed in the flyer.
- Possible next flyers will discuss protocol for sampling of received materials, and air emissions compared to worldwide standards.

CELC Mandate

- Members generally felt that mandate was going to be better met by getting flyers of information out to the Belledune community
- The committee will consider different aspects of the project that they may want discussions/presentations to cover.
- Members felt it would be useful to have a visit arranged to the construction site.

6. New Business

- None

7. Next Meeting

Next meeting: November 6, 2003 at 7:15pm

8. Adjournment

Meeting was adjourned at approximately 8:35PM
